PROGRAM REPORT

NAME OF THE PROGRAM : “Significance of English Language skills”

DATE : 17-10-2018 to 19-10-2018.

RESOURCE PERSON : Dr. M. Bharathi
Asso. Professor Dept. of H&S, NEC
Contact no: 9398707173

OBJECTIVE OF THE PROGRAM : Significance of English Language skills enable students to

- **Global Communication:** English is the lingua franca of the modern world. Proficiency in English enables effective communication with people from diverse linguistic and cultural backgrounds, facilitating international cooperation, trade, and understanding.
- **Education:** English proficiency is crucial for academic success, especially in higher education. Many universities worldwide teach in English, and proficiency in the language is often a prerequisite for admission to these institutions.
- **Career Opportunities:** In today's globalized job market, English proficiency is highly valued by employers. It opens up job opportunities not only in English-speaking countries but also in multinational corporations and organizations where English is the primary language of communication.
- **Access to Information:** A significant portion of the world's information, including academic research, business reports, and news articles, is available in English. Proficiency in the language grants individuals access to a vast array of resources and knowledge.

- **Education and Career Opportunities:** English proficiency opens up a wide array of educational and career opportunities. Many prestigious universities and institutions around the world teach in English, and proficiency in the language is often a prerequisite for admission to such institutions. Additionally, in many industries, English proficiency is considered a valuable asset, enhancing employability and career advancement prospects.
- **Access to Information:** A significant portion of the world's information is available in English. Proficiency in English enables individuals to access a vast repository of knowledge, resources, and literature, including academic research, scientific publications, and cultural works.
- **International Travel and Tourism:** English is widely used in the tourism industry. Travelers who are proficient in English can navigate more easily in countries where English is not the native language, facilitating interactions with locals, accessing services, and enjoying a more enriching travel experience.
- **Cultural Exchange and Understanding:** English serves as a bridge for cultural exchange and understanding. Proficiency in the language enables individuals to engage with diverse cultures, literature, films, and music from around the world, fostering mutual understanding and appreciation.
