CIRCULAR

This is to inform that the Training And Placements Cell is organizing a Three-day training program on “Cracking competitive exams for engineering students” for the benefit of all III-IIB.Tech students on 23-02-2023 to 25-02-2023. I suggest all students to participate in this program .

All the students should attend this training program in the Seminar hall at 9:30AM with proper dress code and ID card. Attendance is mandatory.

All HOD’s are instructed to depute one faculty from their department for smooth running of this program

VENUE: Seminar Hall

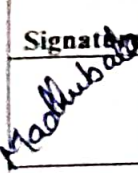

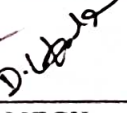

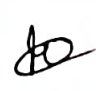

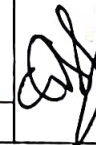

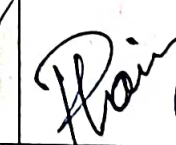

Note: Classes will commence 9:30 AM to 4.30 PM.

PROGRAM REPORT

Name of the program : A Three Days Training program on “Cracking Competitive exams for Engineering Students”

Date : 23-02-2023 to 25-02-2023

Resource person and details :

Name : Dr. P. Revanth Kumar

Designation : Associate Professor, Civil Department

Place : SSCE, Chilakapalem

On February 23,2023, an insightful seminar was held at the renowned Priyadarshini Institute Of Technology And Management for aspiring engineering students aiming to crack competitive exams for engineering students . The seminar aimed to provide valuable guidance and strategies to help in students excel in these highly competitive examinations.

The seminar began with an informative presentation by renowned educators and experts in the field of engineering. They emphasized the importance of a structured study plan , effective time management, and a deep understanding of fundamental concepts. The speakers also shared a personal experiences and success stories, inspiring the students to set ambitious goals and work diligently towards achieving them. Furthermore, they highlighted the significance of mock tests and solving previous years questions papers as essential tools for exam preparations .The seminar provided a platform for students to interact with the speakers, clarify their doubts, and gain valuable insights into the exam patterns and syllabi. Overall, the seminar proved to be an invaluable resource for engineering students, equipping them with the knowledge and motivation necessary to crack competitive exams and secure their dreams careers in the engineering fields.

PROGRAM REPORT

Name of the program : A Three Days Training program on “**Professional Career Guidance to become a successful Engineer**”

Date : 25-07-2022 to 27-07-2022

Resource person and details : Sri. Susarala Venakata Prasada Ravi Teja. EMS Engg Technical Evangelist & Corporate Trainer SRIT PVT.LTD

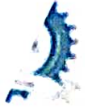

The Training and placement Cell of Priyadarshini Institute of Technology and Management conducted a Three Days Training program on “**Professional Career Guidance to become a successful Engineer**” in Seminar hall. This program was initiated by our principal Dr. B. KIRAN KUMAR with a motivational speech.

The program is committed to nurturing the upcoming engineers to explore technical growth , help them create and leverage their professional growth. This program serves as a compass, guiding aspiring engineers towards a path to success and fulfillment in the ever evolving world of engineering ,exploring engineering specializations.

The program proceed with identifications of technical competency ,their strengths ,weakness and career aspirations. It elevated necessity of Professional Networking, Presentations Skills , enabling individuals to make conversant decisions about their engineering specializations . Through mentorship from seasoned engineers and access to technical skills development workshops participates acquire the knowledge . The sessions ended with vote of thanks by Training and Placement Officer

S. Venkata.

Program coordinator

Topics covered:

Day 1 Exploring , creating and leveraging for professional growth :

1. Exploring Engineering Specializations :

1.1. Re-search different engineering specializations and sub-disciplines to identify the areas that align with your interest and career goals .

1.2. Understand the requirements , Skills and jobs prospects associated with each specialization.

2. Creating a personal development plan:

2.1 Set short term and long term career goals and develop a plan to achieve them

2.2 Identify the skills and knowledge you need to acquire for your chosen engineering fields and create a roadmap for professional development.

3. Leveraging internship and co-op opportunities:

3.1 Seek out internship and co-op programs to gain practical experiences in your chosen field.

3.2 Look for opportunities that align with your interests and provide exposure to industry projects and best practices.

Day 2 Technical Competence , Professional Network , Presentation Skills :

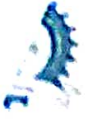

4. Developing Technical Competence:

4.1 Continuously enhance your technical skills by staying updated on the latest advancement and industry trends.

4.2 Identify key technical skills required in your field and invest time in mastering them.

5. Building a Professional Network :

5.1 Attend engineering , conferences , seminar, and industry events to connect with professionals in your fields.

PRIYADARSHINI INSTITUTE OF TECHNOLOGY AND MANAGEMENT

8th mile, PULLADIKUNTA, Korrapadu (V), Valicherla (M), GUNTUR 522017 (A.P.)

Approved by AICTE, Affiliated to JNTUK

www.priyadarshini.ac.in

Join relevant professional organizations and online communities to expand your network and gain insights from experienced engineers.

6. Effective Resume and Interview Preparations:

6.1 Learn how to create a compelling resume that highlights your technical skills, projects, and achievements.

6.2 Prepare for engineering interviews by practicing common technical and behavioral questions and showcasing your problem-solving abilities.

Day 3 Soft skills, Ethics and Innovations Entrepreneurship :

7. Developing Soft Skills for Engineering Success:

7.1 Enhance your communication teamwork and leadership skills to effectively collaborate with colleagues and stakeholders.

7.2 cultivate critical thinking, problem-solving, and decision-making skills to tackle complex engineering challenges.

8. Professional Ethics and Responsibility

8.1 Understand the ethical considerations and responsibilities associated with engineering practice.

8.2 Familiarize yourself with professional codes of conduct and industry regulations relevant to your engineering discipline.

9. Entrepreneurship and Innovation :

9.1 Explore the possibilities of entrepreneurship in engineering and learn about the process of starting your own engineering-related business.

9.2 Foster an innovative mindset by actively seeking opportunities to solve problems and create value through engineering solutions.

JTCOMES

- 1. Clarity in Career path :** technical graduates gain a clearer understanding of their engineering career path , identifying their interests and the special and the specializations that suits them best
- 2. Enhanced Technical Skills :** Career guidance helps technical graduates develop and enhance the technical skills required I their chosen field, such as programming languages, software tools, and industry-specific technologies
- 3. Practical experiences :** Guidance assists technical graduates in gaining practical experiences through internships, co-op programs or hand-on project, allowing them to apply their knowledge and develop valuable skills.
- 4. Professional networks :** Career Guidance supports and technical graduates in building a professional network ,connecting them with industry professionals ,mentors and peers , providing for collaborations , jobs referrals and access to valuable resources
- 5. Continuous Learning and Growth:** Technical graduates receiving career guidance are encouraged to pursue lifelong learning and professional development staying updated on industry advancements and exploring events for career advancements and specializations

PROGRAM REPORT

Name of the program : A one day Career guidance program on “Global Perspectives: International Career Opportunities for Postgraduates”

Date : 08-10-2022

Resource person and details : Sri. B. Hari Krishna sir, Technical Trainer RVS Quality Certification Pvt. Ltd

The Training and Placement Cell of Priyadarshini Institute of Technology and Management conducted a special session on “Global Perspectives : International Career Opportunities for Postgraduates” in Micro-Processing lab, Departmental of ECE. This program was initiated by our principal Dr. B. Kiran Kumar with a motivational speech.

Career counselling is a domain of counseling that focus on helping individuals find the right pathway . In career counseling the students receive guidance career path way from professionals counsellors that provide expert advice on the potentials, Aptitude, Motivations, skills and short comings with the use of carefully designed assessment tools. These assessment tools are both subjective and objective. After carefully studying the individuals Interests and Aptitude, career counselors guide individuals to set their career goals.

In this highly competitive world students area ability to the guidance given to individuals to aid them in understanding their skills , abilities and potential that is important for choosing the right career path. Career guidance and counseling was providing by professional career guidance counsellors to students who are confused as to what career choice to make. The ion of session ended with Vote of thanks by Training and Placement Officer.
