### Women Empowerment Grievance & Redressal Cell

#### OUTCOMES :

1. The chairman discussed the cells objectives and functionality which is to provide appropriate working conditions in terms of work, leisure, health and hygiene in order to further ensure that there is no hostile environment towards women at work .The cell with investigate all individual complaints and take appropriate action as soon as possible. the cell with assists in taking preventive measures in the case of the challenges of female students.
2. The major finding reveled that colleges related factors such as distances from home to college early, marriage , poverty, Socio economics factors , Socio culture factors , lag of female teachers in college that consult female teachers, parents level of education , burden in domestic activities etc.
3. A part from it, women play a key role in the socio -economic development and the role of girl in society.
4. In terms of grievance complaints , the members discovered that not a single grievance was brought to the committees attention during the session , implying that redressal is nil.

The meeting concluded with a vote of thanks to all attendees.
