NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.

- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the Necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from April 2018 to April 2019. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

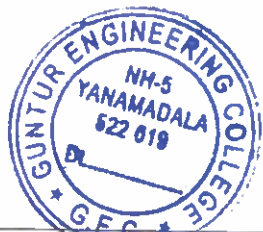

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

Respected Sir/Madam,

Subject: Priyadarshini Institute of Technology & Management requesting an MOU with AM.Reddy Memorial College of Engineering & Technology - reg.

Greetings from Priyadarshini Institute of Technology & Management!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

**A MEMORANDUM OF UNDERSTANDING ON "ACADEMIC
COLLABORATION"**

BETWEEN

NRI INSTITUTE OF TECHNOLOGY, VIJAYAWADA, ANDHRA PRADESH

AND

**Priyadarshini Institute of Technology & Management Pulladigunta,
Andhra Pradesh**

This MOU is entered into on the day of 18th JUNE, 2018 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, Vijayawada an Engineering college (hereinafter called NRI) affiliated to Jawaharlal Nehru Technological University, Kakinada and Priyadarshini Institute of Technology & Management (hereinafter called PITM), affiliated to Jawaharlal Nehru Technological University, Kakinada . The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in various esteemed Organizations is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada -Permanent affiliation and ISO Certified Institution. In the interest of establishing a relationship of mutual benefit to both organizations, NRI Insitute of Technology, Vijayawada (NRIIT) and (PITM)

have agreed to the areas of collaboration on academic and research related activities as mentioned in this MOU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and PITM for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between NRIIT and PITS through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of

Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications,

development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NRIIT and PITM will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MOU among students, staff etc., if agreed by their management. Where reasonably possible, in

making advertisements or public announcements in relation to this MOU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MOU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given here under.

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will

constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

For the Establishment of an Internship Program

Date 06-07-2018

1. Introduction

This Memorandum of Understanding (MoU) establishes a framework for collaboration between Jeta Software (India) Pvt. Ltd and Priyadarshini Institute of Technology & Management, Guntur. Both parties, Seeing Eye to eye on the value of practical exposure, intend to create an internship program that'll benefit students and the company alike.

2. Purpose

This MoU serves to provide students from Priyadarshini Institute of Technology & Management an opportunity to intern at Jeta Software, giving them real-world experience. At the same time, Jeta Software stands to gain fresh perspectives and energetic young talents.

3. Terms and Conditions

Duration: The internships, by and large, will span a period of 1 to 3 months, depending on the nature of the role and project.

Selection Process: The students will undergo a rigorous selection process designed by Jeta Software. This might include interviews, tests, or group discussions.

Mentorship: Each intern will be assigned a mentor from Jeta Software, guiding them throughout the journey.

Stipend: All interns may be provided with a stipend, the amount of which will be decided on a case-by-case basis.

Confidentiality: Interns must adhere to strict confidentiality guidelines related to Jeta Software's proprietary information.

Assessment: All work and no feedback? Not on our watch! Regular assessments will be carried out to monitor the intern's performance.

Certificate: Once they've run the gauntlet, successful interns will receive a certificate of completion from Jeta Software.

Dear Sir/Madam,

Sub : Request for MoU / Institutional Collaboration with Priyadarshini Institute of Technology and Management and St. Mary's Women's Engineering College and - Reg.

* * *

Greetings from Priyadarshini Institute of Technology and Management!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college in view of the following objectives:

- To conduct and facilitate in organizing FDPs, SDPs, Workshops, Seminars, Conferences, Expert Talks, Guest Lectures, and other Knowledge Sharing sessions on topics of mutual interest and relevance.
- To share the resources, expertise, and best practices of both the institutions.
- To explore the possibilities of collaborative research projects, consultancy services, and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as deemed necessary.

We look forward to hearing from you soon and establishing a long-term linkage and collaboration for resource sharing with your college.

Thanking you.

Yours sincerely,

Memorandum of Understanding

This Memorandum of Understanding (MOU) is made on this 14th day of July, 2018 between:

Priyadarshini Institute of Technology and Management, 5th Mile, Pulladigunta, Guntur, Andhra Pradesh, India, represented by its Principal, Dr. D.V.V.S Phani kumar, here in after referred to as PITM;

And

St. Mary's Women's Engineering College, Budampadu (V), Guntur-Bapatla Highway, Andhra Pradesh, represented by its Principal, Dr. B V S T Sai, here in after referred to as SMWEC;

Both PITM and SMWEC are collectively referred to as the Parties and individually as a Party.

WHEREAS, PITM is an institution offering various diploma, undergraduate, and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, SMWEC is an institution offering various emerging diploma, undergraduate, and postgraduate programs in engineering, and management disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

- To conduct and facilitate in organizing FDPs, SDPs, Workshops, Seminars, Conferences, Expert Talks, Guest Lectures, and other Knowledge Sharing sessions on topics of mutual interest and relevance.
- To share the resources, expertise, and best practices of both the institutions.
- To explore the possibilities of collaborative research projects, consultancy services, and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will collaboratively organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will collaboratively organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource

persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.

- **Seminars:** The parties will collaboratively organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Tasks:** The parties will explore the possibilities of undertaking collaborative research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the knowledge on intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, SDPs, Workshops, Guest Lectures, Expert Talks, and Seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services, and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will collaboratively organize National and International Conferences on current issues and trends in engineering domains. On

03/01/2019

Preamble:

This Memorandum of Understanding (MoU) sets forth the terms and understanding between Quantyum Technology Solutions Pvt. Ltd (hereinafter referred to as "Quantyum") and Priyadarshini Institute of Technology & Management, Guntur (hereinafter referred to as "College") to establish a cooperative relationship for internships and guest lectures.

Purpose:

This MoU provides a structural framework for collaboration, wherein:

Students from College get an opportunity to intern at Quantyum, availing real-time industry experience.

Experts from Quantyum will deliver guest lectures at College, sharing insights and knowledge about the latest trends in the tech industry.

Terms and Conditions:

Internship Duration: The internships will be for a period ranging from 1 to 3 months, adjustable according to the role and project requirements.

Selection for Internship: Quantyum will conduct a thorough selection process, which may include interviews, aptitude tests, and group discussions, to ensure the right fit.

Guest Lectures: Quantyum will commit to providing a minimum of one guest lecturer annually, with topics mutually decided by both parties.

Mentorship during Internship: Each intern from College will have an assigned mentor from Quantyum, ensuring they receive the necessary guidance and support.

Stipend: Interns will not receive any stipend, but in extraordinary cases the company may provide stipend, the amount of which will be determined based on the role, project, and prevailing industry standards.

Confidentiality: Interns are bound to maintain strict confidentiality concerning Quantyum's sensitive and proprietary information.

Assessment: Quantyum will conduct regular evaluations to gauge the intern's performance, which will be shared with College for academic considerations.
