**ANNUAL e-GOVERNANCE REPORT FOR AY 2022-23**

The Principal is pleased to present the annual e-governance report for PITM for the academic year 2022-23.

The institution has successfully integrated e-governance across various operational domains, including Administration, Finance and Accounts, Student Admission and Support, and Examination processes.

**Administration:**

- In the realm of Administration, the college's website, <https://www.pitmgnt.ac.in>, serves as a central hub for disseminating essential information pertinent to administration and student affairs. Regular updates are made regarding placements, conferences, Workshops, academic calendars, examination schedules, results, holidays, and committee activities such as student welfare and grievance handling. Additionally, the website hosts details on Memorandums of Understanding (MOUs), program feedback, and more.
- Administratively, the college actively participates in data submission to the AISHE (All India Survey on Higher Education) portal at <http://dcf.aishenew/#/institutional> login. Data encompassing faculty, student enrollment, academic programs, examination outcomes, financial aspects, and infrastructure is regularly updated on state government websites like <https://jnanabhumi.ap.gov.in/> and <https://hesurvey.e-pragati.in/>.

### Finance and Accounts:

- Financially, the institution manages all payment and receipt transactions on Tally 9, supported by competent auditors. The introduction of unified payment interface (UPI) like Paytm, Phone Pe, and internet-based Payments have streamlined fee transactions, with a majority of students opting for online payment methods.

### Student Admission and Support:

- Regarding Student Admission and Support, Comprehensive admission details are uploaded to state government websites such as <https://janabhumi.ap.gov.in/> and <https://thesurvey.apsche.ap.gov.in/>.
- Information on fee reimbursements, financial benefits received, and attendance records are diligently managed through MY STUDENT BOARD SOFTWARE.
- The college acquired MY STUDENT RECORDS SOFTWARE to enhance e-governance efficiency.

### Examinations:

- Examination Processes are meticulously handled, with internal examination schedules and marks promptly communicated via the college website. Practical examination timetables, internal and external marks, and results are seamlessly uploaded to the university portal, providing students with easy access to their academic progress.
