

## **Policy on Institutional Scholarship**

### **Objective:**

We at Priyadarshini Institute of Technology & Management offer UG & PG Programmes in Engineering and Management. We Provide Scholarships for many students studying in our College under different Categories as given below.

1. Financially Weaker Section
2. Meritorious Students
3. No Parental Supported Students
4. Single Parent Students
5. Extraordinary performance in Extra Curricular and Co Curricular Activities

### **Scope of Scholarships:**

Through this scholarship scheme we will give fee waiver, donate books, and give prize money to meritorious students. For this we will form some admission guide line by our Governing Body Members and any periodical modifications will be intimated to the students time to time.

### **Policy Overview:**

Economically backward students are eligible under this scheme and academic performers at top grade will be filtered at the end of the academic year. And also single parent students or parent less students will be offer fees discounts in Transport Fee, Hostel Fee or sometimes tuition fee. Apart from all supported by the Management, The Government is also paying the tuition fees to many of the eligible students in the form of fee reimbursement Scheme.

---

**How to Apply:**

While joining the course the students are informed to fill an application form that includes their parental details, financial details and academic performance of the previous studies. And based on the applications filled and by keeping the budget allocated for this Scheme the benefits will be distributed to the students.

**Students Conduct:**

Finally even though if a student is eligible for scholarship receiving , it depends on again the conduct of the student at college premises, Play Grounds, Class Rooms, Buses , Hostels and their behavior with the staff will be decided for the eligibility of getting Scholarships.
