The main objective of conducting this program was to develop the interpersonal skills and potential of students. Besides their academic syllabus, our students should be given additional training in relevant aspects to develop their overall personality. Through this program, students were motivated. The program had positive response. Students from II; III&IV B.Tech had attended this program.

PITM Engineering College organized a two-day training program on Soft Skills for graduate students. Dr. JAGANATH RAO shared his thoughts on enhancing the employability of engineering students. The speaker advised the students should have up-to-date technical knowledge and effective communication skills to fetch a job.

Through this program, students gained knowledge about how to develop communication skills, leadership qualities, and personality development to face the competitive world. The students were highly motivated by this program.

PROGRAM REPORT

NAME OF THE PROGRAM : "Soft Skills Training Program on Interview Skills"

DATE(S) OF EVENT : 22-08-2019 to 24-08-2019

RESOURCE PERSON DETAILS: Dr.J.M. Kanthi Thilaka

Professor,

Department of English GIET College of Engineering

Contact no 9490480262

A three-day soft skills training program was held by PITM for IV and III B. Tech students. Through this program, students acquired presentation skills for interviews. There were some significant pointers on creating a CV and typical interview inquiries. CV, resume, and bio data were distinguished by the instructor. It was well-received by the students, who also had inquiries.
