CIRCULAR

This is to inform that the Training And Placements Cell is organizing a Three-day training program on "Imperative Methods of Excel any Competitive Exams" for the benefit of all III-II B.Tech students on 25-03-2022 to 27-03-2022. I suggest all students to participate in this program .

All the students should attend this training program in the Seminar hall at 9:30AM with proper dress code and ID card. Attendance is mandatory.

All HODs are instructed to depute one faculty from their department for smooth running of this program

**VENUE: Seminar Hall**

Note: Classes will commence 9:30 AM to 4.30 PM.

**PROGRAM REPORT**

**Name of the program** : A Three Days Training program on “Imperative methods of Excel any Competitive Exams”

**Date** : 25-03-2022 to 27-03-2022

**Resource person and details :**

**Name** : Dr. S. LAXMAN RAJU

**Designation** : Associate professor

**Place** : SSCE, Chilakapalem

On March 25<sup>th</sup>, to Mar 27<sup>th</sup> 2022 an insightful seminar was held at the renowned **Priyadarshini Institute Of Technology And Management** to introduce imperative methods for excelling in competitive exams

Competitive exams play a vital role in determine education career and prospects for individual across diverse fields. The Imperative methods to excel in any competitive exams” program was conceived with the objective of equipping participants with essential strategies and skills to conquer these assessments successfully. Throughout the program’s duration, participants engaged in a comprehensive learning experience designed to enhance their exam preparation, problem-solving abilities, and overall performance in competitive exams.

## DAY WISE SCHEDULE

A Three days career assistance program on “Professional Awareness and Career Guidance Engineer Freshers”

Dt:28-09-2021		
Day 1 : Job opportunities for fresh Engineers		
Time	Topic	Training type and facilitator
9:20am to 9:30 pm	Introduction of resource person	Staff: Dr. B. Prasad Rao
9:30am to 11:00 am	Entry level Engineering , Exploring roles	Resource person: Sri C.C. Babu
11:20am to 12:50am	Engineering positions opportunities in various engineering disciplines	Sri C.C. Babu
1:40pm to 3:10 pm	Industries Hiring fresher's engineering Identifying industries and sectors	Sri C.C. Babu
3:30pm to 4:00pm	Sectors involved in Engineering Researching , Query session	Sri C.C. Babu Staff: Dr. B. Prasad Rao

Dt: 29-09-2022		
Day 2 Graduate Development Programs and Internship		
TIME	TOPIC	TRAINER
9:20am to 11:00am	Graduate development : Understanding the benefits of participating in structural graduate program	Resource person: Sri C.C. Babu
11:20am to 12:50am	Program for Fresh Engineers-Exploring program that provide mentorship	Sri C.C. Babu
1:45pm to 3:20pm	Engineering internships-Researching and applying for internships co-op programs – importance of gaining practical internship , education program	Sri C.C. Babu
3:25pm to 4:00pm	Offline and online programs , identifying the facilities of professional growth opportunities, Query sessions	Sri C.C. Babu Staff: Dr. B. Prasad Rao

## PROGRAM REPORT

**Name of the program** : A Three Days Training program on “ Professional Awareness and Career Guidance Engineer Freshers”

**Date** : 28-09-2021 to 30-09-2021

**Resource person and Details** : Sri C.C.Babu, Business Executive, Multi edge  
(Internship and training)

The Training and placement Cell of Priyadarshini Institute of Technology and Management conducted a Three Days Training program on “Professional Career Guidance to become a successful Engineer” in Seminar hall. This program was initiated by our principal DR.A. RAMA RAO with a motivational speech.

The program is committed to nurturing the upcoming engineers to explore technical growth , help them create and leverage their professional growth. This program serves as a compass, guiding aspiring engineers towards a path to success and fulfillment in the ever evolving world of engineering ,exploring engineering specializations.

The program proceed with identifications of technical competency ,their strengths ,weakness and career aspirations. It elevated necessity of Professional Networking, Presentations Skills , enabling individuals to make conversant decisions about their engineering specializations . Through mentorship from seasoned engineers and access to technical skills development workshops participates acquire the knowledge . The sessions ended with vote of thanks by Training and Placement Officer

*C.C. Babu*  
Program coordinator

**Topics covered:**

**1. Job Opportunities for fresh engineers:**

**1.1 Entry-level Engineering :** Exploring job roles such as junior engineer, engineering intern, or graduate engineer

**1.2 Engineering positions:** Opportunities in various engineering disciplines, including mechanical, electrical, civil, chemical, and software engineering.

**1.3 Industries Hiring Fresh Engineers –** Identifying industries and sectors with high demand for fresh engineering talent, such as manufacturing, construction, energy, automotive, aerospace, technology and consulting.

**1.4 Sectors involved in Engineering:** Researching companies and organizations within these sectors that actively recruit and provide opportunities for entry level engineers.

**2. Graduate Development program and internships :**

**2.1 Graduate Development:** Understanding the benefits of participating in structural graduate program offered by companies and organizations

**2.2 Programs for fresh Engineering :** Exploring programs that provide mentorship, training, rotations across different departments, opportunities for professional growth and advancement.

**2.3 Engineering internship :** Researching and applying for internships to acquire hands-on experience, industry exposure and potential full time job opportunities.

**2.4 Co-op programs:** The importance of gaining practical work experience through internships or cooperative education program.

**2.5 Offline and Online:** Identifying the facilities along with professional growth opportunities.

**3. Professional Networking and industry engagement for all technical graduates**

**3.1 Networking for professional growth:** Building professional connections through networking events industry conferences, job fairs, and online platforms.

**3.2 Opportunities for fresh engineers :** Joining professional or mentors to gain insight into career paths industry trends and skill requirements.

## OUTCOMES

- 1. Increased industry awareness:** A professional awareness and career guidance program for engineering fresher's helps them gain a comprehensive understanding of the engineering industry including various sectors job roles and emerging trends enabling them to make informed career decisions.
- 2. Targeted skills Development:** The program identifies the specific skills and competencies required in the engineering field and provide fresher's with targeted guidance on developing those skills enhancing their employability and readiness for the job market.
- 3. Networking Opportunities:** By participating in the program, engineering freshers have access to networking events industry connections and mentorships opportunities helping them to build valuable professional relationship and expand their network within the engineering community.
- 4. Enhanced Professional Identify:** Through the program, engineering fresher's develop a strong professional identify and understanding of their unique strength interests and goals empowering them to showcase their abilities and stands out in the competitive job market.
- 5. Career Roadmap:** The program assists engineering fresher's in creating a personalized career roadmap, outlining short-terms and long-terms goals and providing guidance on the steps to achieve them, supporting their cases growth and progressions .

**PROGRAM REPORT**

Name of the program : A one-day Training program on “Maximizing the Potential of your postgraduates Degree: Industry Insights”

Date : 29-11-2021

Resource person and Details : Sri. T. Naresh Kumar, Product Manager, TANASVI Technologies Pvt.Ltd., Visakhapatnam

The Training and placement Cell of Priyadarshini Institute of Technology and Management conducted a Three Days Training program on “Maximizing the Potential of your postgraduates Degree: Industry Insights” in Seminar hall. This program was initiated by our principal DR.A. RAMA RAO with a motivational speech.

The session begins with conveying importance of staying informed about industry trends and insights which are essential for strategies planning enabling business to adapt innovate and capitalize on emerging opportunities in a rapidly evolving market after post graduation

Awareness on need of Networking and Professional development which are vital to build meaningful connections staying abreast of industry developments and fostering personal growth creates a dynamic foundations for career success fresh post graduates

The session ended with Vote of Thanks by Training and placement officer.

  
Program coordinator

## Topics covered:

### 1. Job Opportunities for fresh engineers:

**1.1 Entry-level Engineering :** Exploring job roles such as junior engineer, engineering intern, or graduate engineer

**1.2 Engineering positions:** Opportunities in various engineering disciplines, including mechanical, electrical, civil, chemical, and software engineering.

**1.3 Industries Hiring Fresh Engineers –** Identifying industries and sectors with high demand for fresh engineering talent, such as manufacturing, construction, energy, automotive, aerospace, technology and consulting.

**1.4 Sectors involved in Engineering:** Researching companies and organizations within these sectors that actively recruit and provide opportunities for entry level engineers.

### 2. Graduate Development program and internships :

**2.1 Graduate Development:** Understanding the benefits of participating in structural graduate program offered by companies and organizations

**2.2 Programs for fresh Engineering :** Exploring programs that provide mentorship, training, rotations across different departments, opportunities for professional growth and advancement.

**2.3 Engineering internship :** Researching and applying for internships to acquire hands-on experience, industry exposure and potential full time job opportunities.

**2.4 Co-op programs:** The importance of gaining practical work experience through internships or cooperative education program.

**2.5 Offline and Online:** Identifying the facilities along with professional growth opportunities.

### 3. Professional Networking and industry engagement for all technical graduates

**3.1 Networking for professional growth:** Building professional connections through networking events industry conferences, job fairs, and online platforms.

**3.2 Opportunities for fresh engineers :** Joining professional or mentors to gain insight into career paths industry trends and skill requirements.

## OUTCOMES

- 1. Increased industry awareness:** A professional awareness and career guidance program for engineering fresher's helps them gain a comprehensive understanding of the engineering industry including various sectors job roles and emerging trends enabling them to make informed career decisions.
- 2. Targeted skills Development:** The program identifies the specific skills and competencies required in the engineering field and provide fresher's with targeted guidance on developing those skills enhancing their employability and readiness for the job market.
- 3. Networking Opportunities:** By participating in the program, engineering freshers have access to networking events industry connections and mentorships opportunities helping them to build valuable professional relationship and expand their network within the engineering community.
- 4. Enhanced Professional Identify:** Through the program, engineering fresher's develop a strong professional identify and understanding of their unique strength interests and goals empowering them to showcase their abilities and stands out in the competitive job market.
- 5. Career Roadmap:** The program assists engineering fresher's in creating a personalized career roadmap, outlining short-terms and long-terms goals and providing guidance on the steps to achieve them, supporting their cases growth and progressions
