PROGRAM REPORT

Name of the program : A Three Days Training program on “Techniques to win through a Competitive exam”

Date : 20-02-2020 to 22-02-2020 .

Resource person and details:

Name : V. Surya Narayana

Designation : Assistant professor

Place : Chilakapalem, Etcherla

“Techniques to win through a Competitive exam”

A highly informative seminar was conducted on 20-02-2020 to 22-02-2020, to impart techniques that can help individuals achieve success in competitive exams. The seminar aimed to equip participants with effective strategies to overcome challenges and emerge victorious in their pursuit of excellence.

Competitive exam represent a critical juncture for individuals striving to achieve academic and professional milestones. The “Techniques to win through a Competitive exam” program was conceived with the primary goal of equipping participants with a robust set of strategies and skills to excel in these challenging assessments. Throughout the program’s duration. Participants embarked on a transformative learning journey. Where they were exposed to a spectrum of proven techniques designed to enhance their exam readiness, problem –solving aptitude. and overall success in competitive exams.

The success of this program can be attributed to its multifaceted approach. Participants were immersed in a comprehensive curriculum covering subject-specific content, exam strategies, and soft skills development

Day wise Schedule

A Three-days Training program on “Professional Career Guidance For aspiring Engineers”

Dt : 01-07-2019		Day 1: Exploring Engineering career paths	
Time	Topic	Trainer Type & Facilitator	
9:20am to 9:30am	Introduction of Resource Person	Staff: Dr. Prasad Rao, Resource person: Sri T. Naresh Kumar	
9:30am to 11:00am	Traditional Engineering fields overview	Sri T. Naresh Kumar	
11:20am to 12:50am	Disciplines within Engineering Branches	Sri T. Naresh Kumar	
1:40pm to 3:10pm	Emerging fields in Technology	Sri T. Naresh Kumar	
3:30pm to 4:00pm	Interdisciplinary Engineering fields Exploration	Staff: Dr. Prasad Rao, Resource person: Sri T. Naresh Kumar	

Dt: 02-07-2019		Day 2 :Skills and Qualifications for Engineering jobs	
Time	Topic	Trainer Type & Facilitator	
9:20am to 11:00am	Technical competencies core skills	Sri T. Naresh Kumar	
11:20am to 12:50am	Specialized skills specific Technologies	Sri T. Naresh Kumar

PROGRAM REPORT

Name of the program : A Three Days Training program on “**Professional Career Guidance for Aspiring Engineers**”

Date : 01-07-2019 to 03-07-2019

Resource person and details: Sri. T. Naresh Kumar, Product Manager, TANASVI Technologies Pvt.Ltd. Visakhapatnam.

The Training and placement Cell of Priyadarshini Institute of Technology and Management conducted a Three Days Training program on **Professional Career Guidance for Aspiring Engineers**” in Seminar hall. This program was initiated by our principal Dr D. V. V. S. PHANI KUMAR with a motivational speech.

The program has been a valuable resources for our students pursuing a career in engineering. In world of constant technological advancement and evolving job markets, this program aims to serve as a guiding light for aspiring engineers to develop Technical Competence as a professional engineering.

This program begins with a comprehensive assessment of each participants *skills interests and career goals with professional ethics and conduct* for engineering and conduct for engineering. Based on these assessments customized career plans aare developed, helping individuals understand which engineering field aligns best with their aspirants

The program elevates importance technical skills developments effective communication and collaboration as a professional engineer with established engineers in various domains. By emphasizing the importance of continuous learning and professional growth, this program created awareness over tools necessary to navigate the engineering career successfully. Ultimately, this program as a concluded with Vote of thanks by the program Coordinator

Program coordinator

Topics covered:

Day 1 Development Technical Competence as a professional; Engineer:

1.Exploring Engineering Specializations :

1.1.Re-search different engineering specializations and sub-disciplines to identify the areas that align with your interest and career goals .

1.2.Understand the requirements , Skills and jobs prospects associate d with each specialization.

2.Creating a personal development plan

2.1 Set short term and long term career goals and develop a plan to achieve them

2.2 Identify the skills and knowledge you need to acquire for your chosen engineering fields and create a roadmap for professional development.

3. Leveraging internship and co-op opportunities:

3.1 Seek out internship and co-op programs to gain practical experiences in your chosen field.

3.2 Look for opportunities that align with your interests and provide exposure to industry projects and best practices.

Day 2 Technical Competence , Professional Network , Presentation Skills :

4. Developing Technical Competence:

4.1 Continuously enhance your technical skills by staying updated on the latest advancement and industry trends.

4.2 Identify key technical skills required in your field and invest time in mastering them.

5. Building a Professional Network :

PRIYADARSHINI INSTITUTE OF TECHNOLOGY AND MANAGEMENT

5th mile, PULLADEGURTA, Kornepadu (V), Vatikcherikur (M), GUNTUR 522017 (A.P.)

Approved by AICTE, Affiliated to JNTUK

www.priyadarshini.edu.in

5.1 Attend engineering , conferences , seminar, and industry events to connect with professionals in your fields.

5.2 Join relevant professional organizations and online communities to expand your network and gain insights from experienced engineers.

6.Effective Resume and Interview Preparations:

6.1 Learn how to create a compelling resume that highlights your technical skills, projects , and achievements .

6.2 Prepare for engineering interviews by practicing common technical and behavioral questions and show casting your problem solving abilities.

Day 3 Soft skills, Ethics and Innovations Entrepreneur ship :

7. Developing Soft Skills for Engineering Success:

7.1 Enhance your communication teamwork and leadership skills to effectively collaborate with colleagues and stake holders.

7.2 cultivate critical thinking, problems-solving ,and decision making skills so tackle complex engineering challenges.

8. Professional Ethics and Responsibility

8.1 Understand the ethical considerations and responsibilities associated with engineering practice

8.2 Familiarize yourself with professional codes of conduct and industry regulations relevant to our engineering discipline.

9.Entrepreneurship and Innovation :

9.1 Explore the possibilities of Entrepreneurship in engineering and learn about the process of starting your own engineering-related business

9.2 Foster an innovative mindset by actively seeking opportunities to solve problem and create value through engineering solutions .

OUTCOMES

- 1. Clarity in Career path :** technical graduates gain a clearer understanding of their engineering career path , identifying their interests and the special and the specializations that suits them best
- 2. Enhanced Technical Skills:** Career guidance helps technical graduates develop and enhance the technical skills required I their chosen field, such as programming languages, software tools, and industry-specific technologies
- 3. Practical experiences:** Guidance assists technical graduates in gaining practical experiences through internships, co-op programs or hand-on project, allowing them to apply their knowledge and develop valuable skills.
- 4. Professional networks :** Career Guidance supports and technical graduates in building a professional network ,connecting them with industry professionals ,mentors and peers , providing for collaborations , jobs referrals and access to valuable resources
- 5. Confidence and Resilience:** Professional career guidance instills confidence in aspiring engineers by providing them with guidance, support, and resources throughout their career journey, helping them overcome obstacles , make informed decisions, and develop resilience in their face of challenges

PROGRAM REPORT

Name of the program : A one day Career guidance program on
“**Entrepreneurship: Building your Own Path after Post Graduates**”

Date : 16-09-2019

Resource person and details : Sri. Srinivas Gadepalli, Chief Executive Officer at
GSSPEC, Hyderabad , Telangana

The Training and Placement Cell of Priyadarshini Institute of Technology and Management conducted a special session on “**Entrepreneurship: Building your Own Path after Post Graduates**” in Seminar hall. This program was initiated by our principal Dr. D. V. V. S. Phani kumar with a motivational speech.

Career counselling is a domain of counseling that focus on helping individuals find the right pathway . In career counseling the students receive guidance career path way from professionals counsellors that provide expert advice on the potentials, Aptitude, Motivations, skills and short comings with the use of carefully designed assessment tools. These assessment tools are both subjective and objective. After carefully studying the individuals Interests and Aptitude, career counselors guide individuals to set their career goals.

In this highly competitive world students area ability to the guidance given to individuals to aid them in understanding their skills , abilities and potential that is important for choosing the right career path. Career guidance and counseling was providing by professional career guidance counsellors to students who are confused as to what career choice to make. The ion of session ended with Vote of thanks by Training and Placement Officer.

Topics covered

Session.1 Entrepreneurship: Building your Own Path after Post Graduates

1.1 Technology and Innovation Careers:

- 1.1.1 Opportunities in silicon Valley and tech hubs
- 1.1.2 Remote work and Global Tech startup
- 1.1.3 Sustainable Development Careers:
- 1.1.4 Working of international NGOs and nonprofits
- 1.1.5 Green energy and Environmental Consulting

Session 2 Cultural and Linguistic Considerations in International careers

2.1 Language proficiency and international opportunities

2.1.1 The role of Language Skills In Diplomacy and International Relations

2.1.2 Language proficiency and International Consulting

2.2 Cultural Adaptation and Cross-Cultural Communications

2.2.1 Navigating Cultural Differences in International Business

2.2.2 Cultural program and cross-cultural Training

Session 3 Skills Developments for Global Career after postgraduate Education

3.1 International Relationship handling and Digital

3.1.1 Cross-Cultural Communications : Navigations diverse cultures in workplaces.

3.1.2 Digital literacy : Mastering essential tech tools for global career success

3.2 Global Networking and multi Lingual Strategies:

3.2.1 Global Networking: Building connections for cross-border opportunities and collaborations

Approved by AICTE, Affiliated to JNTUK

www.pit.org.ac.in

3.2.2 Strategic Multilingualism: Acquiring languages strategically to enhance global career prospects and communication effectiveness

OUTCOMES

- 1.Expanded Horizons:** Postgraduates can develop a border perspective on career possibilities beyond their home country
- 2.Cultural sensitivity:** Awareness about international careers often includes discussions about working in diverse cultural settings
- 3. Global Job markets:** Understanding global job markets and emerging trends can help postgraduates identify industries and regions where skills qualifications are in demand
- 4. Language proficiency:** Language skills may be essential and become a aware of importance in language and consider language learning a part of their career development
- 5.Visa and work regulations:** Awareness about visa and work regulations in different countries can help postgraduates navigate the complexities of working abroad .
